

Forecast For East of England
Issued by Met Office Exeter
at 1600 on Friday 09 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Rain moving eastwards early on Saturday. Drier and brighter later.

This Evening and Tonight:

Daytime showers will start to fade away early this evening to leave a mostly dry night with occasional clear spells developing. Becoming cloudier during the early hours of the morning with outbreaks of rain approaching from the south. Minimum temperature 13 deg C (55 deg F).

Saturday:

Outbreaks of rain will continue moving eastwards across southern parts of the region during the morning, gradually clearing by afternoon. Becoming drier and brighter elsewhere. Maximum temperature 20 deg C (68 deg F).

Outlook for Sunday to Tuesday:

A mixture of sunny spells and a few scattered showers on Sunday. Heavy and possibly thundery rain moving east on Monday, clearing overnight. Further heavy and thundery showers on Tuesday.
